

How to reset your password for the AAME website

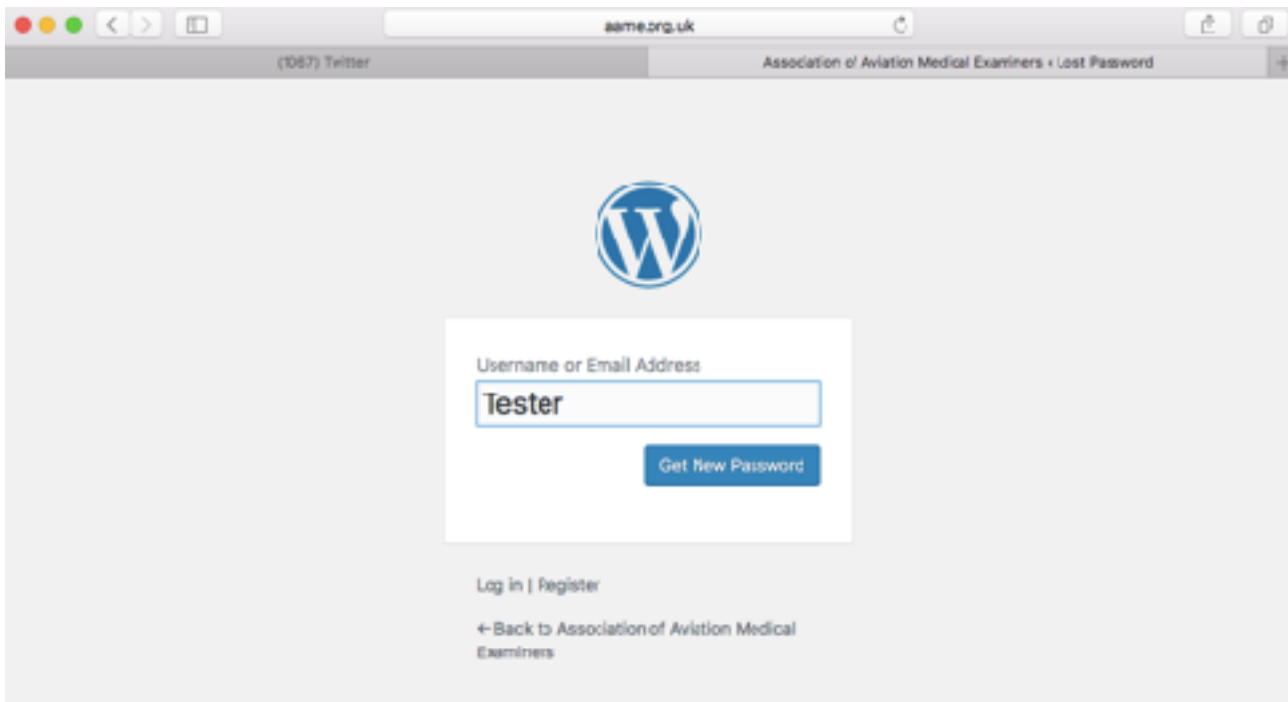

1. Type the following into your web browser: www.aame.org.uk
2. Scroll down page & click on “Log in”

3. This will take you to a page which looks like below. Click on “Lost your Password?”

4. Enter either your username or your email address & click on “Get New Password”

5. You will now receive an email which should look like below. Click on the BOTTOM link. The link will only remain valid for around 24hrs; if you have not used it within this time frame, you will need to request a new password again.

Someone has requested a password reset for the following account:

<http://aame.org.uk/>

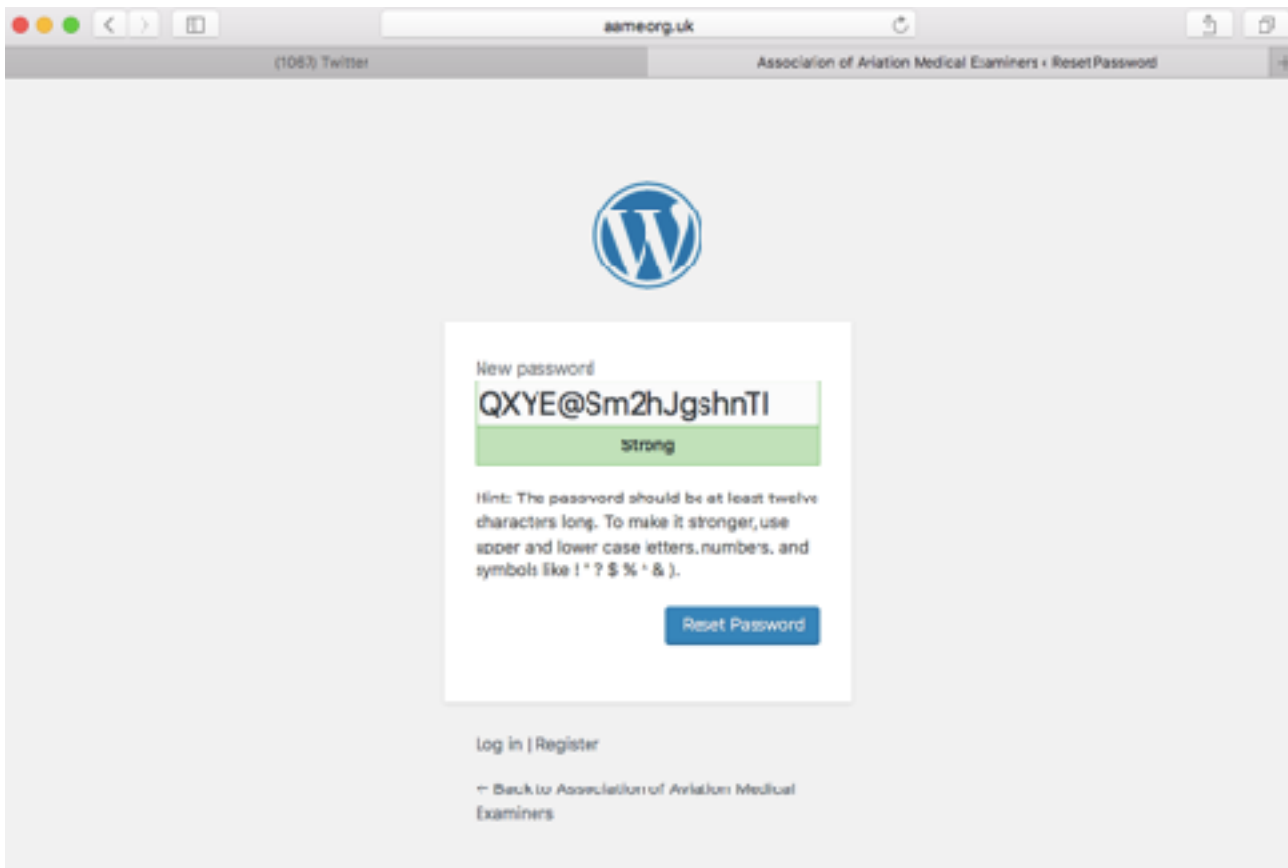

Username: Tester

If this was a mistake, just ignore this email and nothing will happen.

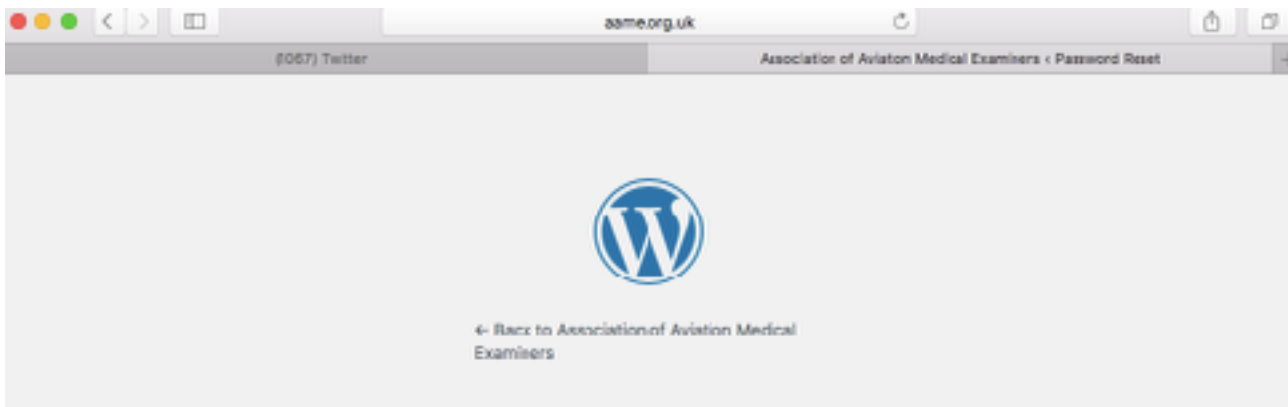

To reset your password, visit the following address:

<http://aame.org.uk/wp-login.php?action=rp&key=p2CF02qfEV?am5FoOqg&login=Tester>

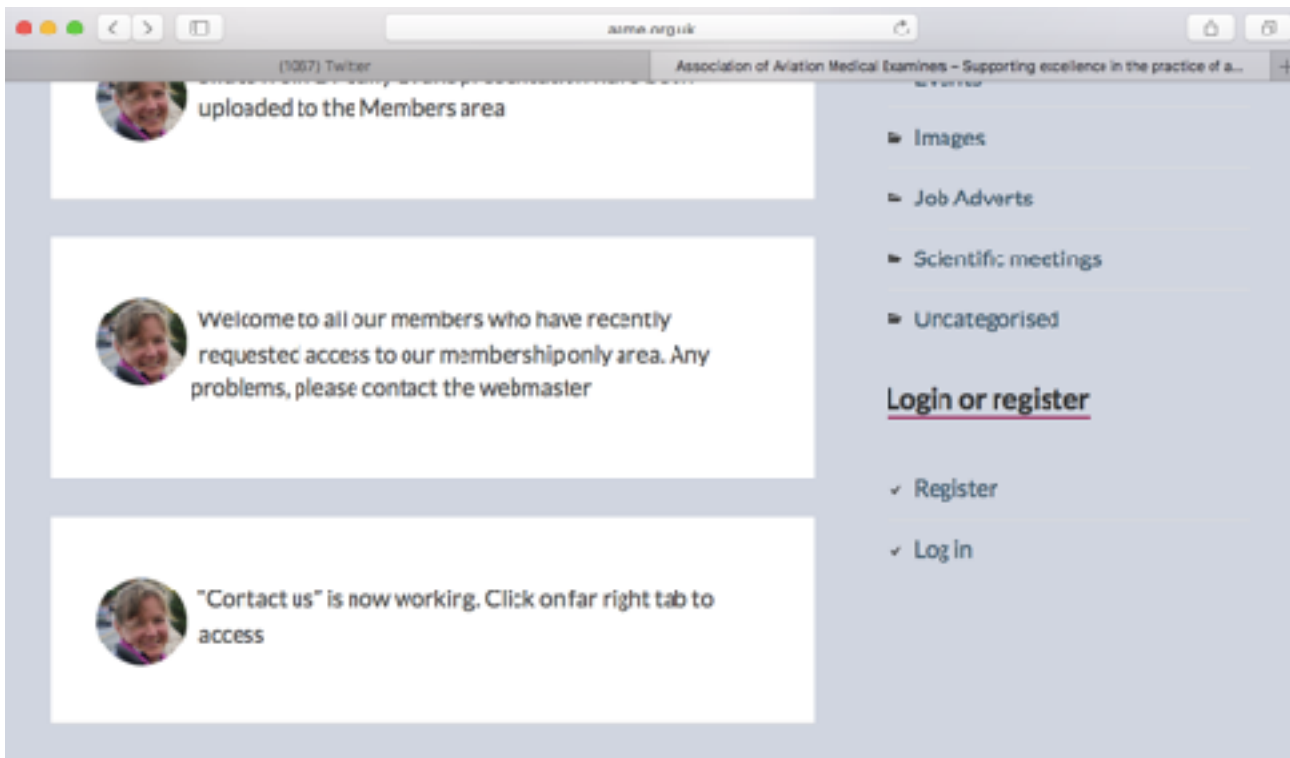

6. You will now be taken to a page which looks similar to below. I strongly suggest deleting the suggested password & replace it with one which you will remember. It is important to do this before you click on “Reset Password”

7. The screen below will now be presented to you, click on “Back to Association of Aviation Medical Examiners” to take you back to the main webpage.

8. Scroll down the page & click on “Log in”

9. Enter either your chosen username or your email address in the top box, and your chosen password in the bottom box. Click on "Log in"
