GENERAL ASSEMBLY IN ROME

Dear Member Associations,

The agenda for the General Assembly in Rome is attached with this message. During the summer, I hope all associations have received the notice of the General Assembly and nominations of July 3. We have indication that the nomination letter did not get through to all associations. If this is the case, this is due to human error on our part, and I must apologise.

I ask our member associations to give us feedback if this is the case, so that we can correct any consequences and avoid this in the future. If associations did not receive the original nomination invitation and notice for GA, we can change the status of the meeting in Rome so that the correct nomination procedure can be performed electronically according to the statutes.

I hope to see you in Rome!

Sincerely

A handwritten signature in black ink, which appears to read "Anthony S. Wagstaff". The signature is written in a cursive style and is positioned above a horizontal line.

Anthony S. Wagstaff

President, ESAM
